Optical Drive: **Slimline DVD/Blu-Ray Optional**
Front USB: **2x USB 3.0**
Power Supply: **180W 110-230VAC**
Lead Time: **3-5 Working Days**

Motherboard IO Ports

USB Ports Rear: **2x USB 2.0 2x USB 3.0**

Serial Ports: **2**

Expansion Slot: **PCI 32 Bit (Full Height)**

Expansion Slot 2: **Not available with this case**

Expansion Slot 3: **Not available with this case**

PSU: **180W 100-240VAC 60-50Hz**

Lead time: **3 Working Days**

Noise & Efficiency

All of our PCs are noise tested and have a standard DB rating so you know exactly how loud they will be.

Energy consumption is an important factor in the ongoing cost of running a machine. We use the familiar energy ratings seen on domestic appliances for all of our products. A is most energy efficient whilst G is least efficient.
