

BANTAM | W14

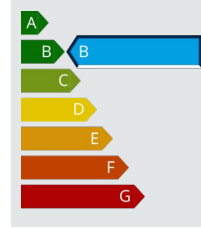

Packed with power and innovation, the Bantam is designed to perform and adapt to your needs. Powered by Intel's Core I CPUs, it delivers exceptional performance and boasts outstanding expansion capabilities. What truly sets the Bantam apart is its unmatched flexibility. Whether it's for desktop use in an office environment, rack mounting two units side by side in a compact 1U space, or discreet wall mounting behind a TV, under a desk, or even in a roof space, the Bantam fits seamlessly into any setting. Choose from an internal AC/DC power supply included as standard, or opt for DC input or Power-over-Ethernet configurations, tailored to your CPU choice. And, like all our products, the Bantam offers customization options for branding and bespoke metalwork. Experience a solution built around your needs—contact us today to explore the possibilities.
