

# BANTAM | CR9

Packed with power and innovation, the Bantam mini PC is designed to perform and adapt to your needs. Powered by Intel's Core I CPUs, it delivers exceptional performance and boasts outstanding expansion capabilities. What truly sets the Bantam apart is its unmatched flexibility. Whether it's for desktop use in an office environment, **rack mount two units side by side in 1U** of rack space, or discreet wall mounting behind a TV, under a desk, or even in a roof space, the Bantam fits seamlessly into any setting. Choose from an **internal AC/DC power supply** included as standard, or opt for DC input or **Power-over-Ethernet** configurations, tailored to your CPU choice. And, like all our products, the Bantam offers customization options for branding and bespoke metalwork. Experience a solution built around your needs—contact us today to explore the possibilities.
