

# FANLESS NUC | C37L

## POE

£710.48

### NOISE

2dB

### EFFICIENCY

The Fanless NUC is the latest product to join our growing range of PCs. The result of an extended research and development project, the Fanless NUC is a noiseless, resilient machine that provides users with far greater flexibility than ever before. With no moving parts it reduces the likelihood of PC failure and minimises the risk of internal damage, vastly improving reliability.

- ✓ Single or Dual Additional LAN Ports – [M.2 Dual Gigabit Ethernet Card](#)
